Settling Claims

HOW WE DEAL WITH YOUR CLAIM

- If your claim for loss or damage is covered under Section One, we will pay the full cost of repair, excluding the policy excess as shown in the policy schedule as long as:
 - the **buildings** were in a good state of repair immediately prior to the loss or damage and
 - the sum insured is enough to pay for full cost of rebuilding the buildings in their present form and
 - the damage has been repaired or loss has been reinstated.

We will take an amount off for wear and tear from the cost of any replacement or repair if immediately before the loss or damage the **buildings** were not in good repair.

We will not pay the cost of replacing or repairing any undamaged parts of the buildings which form
part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to
a clearly identifiable area or to a specific part.

YOUR SUM INSURED

- We will not reduce the sum insured under Section One after we have paid a claim as long as you agree
 to carry out our recommendations to prevent further loss or damage.
- 4. If you are underinsured, which means the cost of rebuilding the buildings at the time of loss or damage is more than your sum insured for the buildings, then we will only pay a proportion of the claim. For example if your sum insured only covers one half of the cost of rebuilding the buildings, we will only pay one half of the cost of repair or replacement.
